

Guild Manager 2017- 2022

Omosola (Shola) Fiberesima

My role as a Student Guild Manager of the Bloomsbury Institute Student Guild is to ensure that the strategic priorities set by the student body are delivered and that the system of student representation is healthy and thriving.

I hold a BA (Hons) in Lifelong Learning from Canterbury Christ Church University, a BA (Hons) in Business Management from Bloomsbury Institute, and a number of accredited creative craft qualifications, which include: fashion design, hair-dressing, soft furnishings, balloon artistry, and cake decorating. I'm currently studying to obtain an MSc in Career Management and Coaching at Birkbeck College.

I have over 20 years of experience within the creative craft industry, using craft as a catalyst into different ventures including teaching, radio presenting, business, writing, and community work.

Interests

I am passionate about bridging the entrepreneurial gap in certain creative crafts hence teaching crafts and business skills within Adult Education. I am an author of a children's book and also volunteer with various organizations within the community to combat loneliness and isolation amongst older people.
